

April 2018

Beginning Fall 2018, Big Steps Little Feet will offer a preschool option for families interested in a 3 hour, 5 day per week program! Multifaceted curriculum in foreign languages, arts, music, and science will be an integral part of each day as your child progresses in an intellectually stimulating environment. Parents will have the opportunity to select electives specific to the interests of their child, to be incorporated into their daily learning activities. Throughout the program, children will also be exposed to various occupations to begin understanding career-path options as they grow in their education.

The new preschool program is designed for 3 year old children up to young fives, to experience a unique program of studies that prepares them for the years ahead. The morning program, 8:30am - 11:30am, is reserved for 3 year old children and the afternoon program, 12:30pm - 3:00pm is reserved for 4 to young five year old children.

This program will be in addition to the high-quality child care services currently offered within the Trustworthy Turtles to Responsible Raccoons classrooms. Unique electives will be offered to current Big Steps Little Feet preschool age children.

For registration information, please email Jessica at [jessica.white@bigstepslittlefeet.org](mailto:jessica.white@bigstepslittlefeet.org). Big Steps Little Feet staff are very interested in parent ideas on what you would like to see offered in your ideal preschool program. Please share your thoughts and ideas with Jessica, via the email address above.

We are excited to begin this new program and highly appreciate your involvement!
